with the election of a community organizer as president of the United States the time is right to evaluate the current state of community organizing and the effectiveness of ACORN's association of community organizations for reform. Now since 2002 ACORN has been dramatically expanding and raising its national profile. It has also been weathering controversy over its voter registration campaigns and an internal financial scandal. The twelve chapters in this volume present the perspectives of insiders like founder Wade Rathke and leading outside practitioners and academics. The result is a thorough detailing of ACORN's founding and its changing strategies including vivid accounts and analyses of its campaigns on the living wage voter turnout, predatory lending, redlining, school reform, and community redevelopment, as well as a critical perspective on ACORN's place in the community organizing landscape.

This encyclopedia is a welcome exploration of the great variety of social networks that human beings create and participate in. Interdisciplinary in scope, the set includes contributions from some of the foremost scholars studying community today. Appendixes include an extensive bibliography, a collection of resources, guides, an annotated guide to community in popular culture, and libraries build community: a guide for librarians. The top 20 reference titles of the year American Libraries May 2004.
