most people are both repelled and intrigued by the images of cold blooded conscienceless murderers that increasingly populate our movies television programs and newspaper headlines with their flagrant criminal violation of society s rules serial killers like ted bundy and john wayne gacy are among the most dramatic examples of the psychopath individuals with this personality disorder are fully aware of the consequences of their actions and know the difference between right and wrong yet they are terrifyingly self centered remorseless and unable to care about the feelings of others perhaps most frightening they often seem completely normal to unsuspecting targets and they do not always ply their trade by killing presenting a compelling portrait of these dangerous men and women based on 25

years of distinguished scientific research dr robert d hare vividly describes a world of con artists hustlers rapists and other predators who charm lie and manipulate their way through life are psychopaths mad or simply bad how can they be recognized and how can we protect ourselves this book provides solid information and surprising insights for anyone seeking to understand this devastating condition
